Dear Paul, Many thanks for your 10/12 and the enclosures, especially the
from the enclosed it is on its way to Jim for xeroxing and similar court
cumulate.The Smith I refer to in that letter is an FBI agent who testifie
Dugan dod not get so we did not because of the three times greater cost.
we will but we're postponing it to make this help go as far as possible.

Thanks for the effort with Rintels and Wexler. It may be that Lane d
Wexler because of his deal with Gregory on a book, which normally would i
At some point I'm going to have to try to contend with this. Until/ then
try to collect all I can, as other enclosures indicate. I think there als
fat mailing of earlier this monring. Which reminds me, your mailing with
has not come, the one you referred to last Saturday.

Dugan has claimed there is some confusion over what Green ordered so
several more days. Jim spoke to him yesterday, by accident. He is going
tempt in 1448 if we do not have the respojses to interrogatories by some

Idl and I appreciated the suggestion of taking her out to a good din
that the past week, by accident, it was every other night. But thanks.

Again, many si
